

Drug Awareness Increased During May Activities

7 June 1984

Thanks to the many hours of volunteer time, drug awareness in Wasatch County was raised. Several projects were completed during the month such as Kite Flying, a car smash, bake sale, T-shirt sale (and T-shirts are still available) and a Health Fair. People in the community enjoyed these events and their participation was appreciated.

On April 11, 1984, George Holmes, Pete Coleman, and Reginald Tadd signed a proclamation to declare May 1984 as the Alcohol and Drug Prevention Month. The purpose of the month of activities was to raise the awareness of the many alcohol and drug problems that do exist in Wasatch County. There is a need to educate the public to more fully acquaint them with the need for Alcohol and Drug Abuse Prevention. The Alcohol and Drug Prevention Center of the Wasatch County Health Department has been established to assist residents of the county with prevention.

Coral Mangus, B.S., Prevention Specialist at the Alcohol and Drug Center, would like to extend thanks to Sharyn Paradise, Ph.D., Director of the Alcohol and Drug Prevention Center, without whose cooperation these events would not have been possible. "I feel the month was very successful for the 1st annual event in Wasatch County. I am pleased with the support the community has given the Center and The Task Force. I am really looking forward to next

years event with even greater success," Coral stated. She went on to express that the events we had will reiterate that this is a community with a lot of support.

At this time, a thank you is given to those businesses that donated merchandise and discounts for their services. A special thanks is sent to KLVR Radio Station, Wasatch Wave, Midway Boosters Club, and Safeway for their support for the month of activities. The following organizations and businesses are given thanks for the help with the Health Fair: Wasatch County Hospital, American Cancer Society, Palace Drug, John Gleave, Optometrist, Wasatch County Extension Service, Wasatch County Health Department, Wasatch County Alcohol and Drug Prevention Center, Wasatch County PTA, and the Wasatch County Sheriffs Department.

The names of those involved throughout the month with various activities are: Becky Anderson, Mike Akagi, Sandy Akagi, Shonnie Bates, Mike Been, Jimmy Brown, Leigh Brown, Mary Jo Coleman, Les Corbett, Nelda Duke, JoNeil Ford, Kraig Ford, Heather Gleave, Don Haury, Roy Kohler, Coral Mangus, Maxine McAfee, Darwin McGuire, Georgia McGuire, Stella Mitchell, Josie Muse, Sharyn Paradise, Seth Quealy, John Snyder, Regg Tadd, Carolyn Wall, Phil Wright and Scott Wright. A big thank you is extended to each of these people for their many hours of service.
